Why be a Member?

Networking opportunities! Joining ASDA immediately connects you with 87% of the nation's dental students and many predental students like yourself.

Predental membership is only the beginning! Staying involved with ASDA once you begin dental school will provide you with opportunities for invaluable leadership experiences on the local and national level.

Gain first-hand knowledge of dental school from students who know what dental school is really like.

Impress educators at dental school interviews with your knowledge of issues affecting the field of dentistry.

Make a difference through lobbying efforts at our National Dental Student Lobby Day in Washington, DC.

Be recognized for your involvement in a respected dental organization—you are among leaders who will shape your profession.
