

Welcome to ASDA Action!

ASDA's new grassroots advocacy software

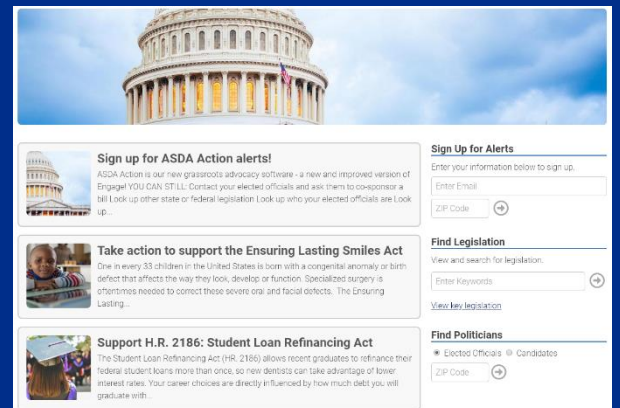

NEW with ASDA Action:

- ✓ Sign up to receive text alerts or take action on a bill
- ✓ Thank officials for taking action with a custom letter
- ✓ Take action seamlessly by never even leaving the ASDA website

Just like Engage, you can still:

- ✓ Contact your elected officials and ask them to co-sponsor a bill. These are now called **ASDA Action** alerts.
- ✓ Look up other state or federal legislation
- ✓ Look up who your elected officials are
- ✓ Look up your candidates running for office
- ✓ View bills ASDA supports, monitors, or opposes and where that bill is in the approval process
- ✓ Register to vote
- ✓ Find your polling location
