

## Honesty Boone

### Education

**University of California Los Angeles School of Dentistry**  
DDS Candidate

*Los Angeles, CA*  
September 2023 - Present

**University of Texas San Antonio**  
B.S. in Public Health: Human Disease and Epidemiology

*San Antonio, TX*  
August 2017 - May 2021

### Leadership Roles

#### Trustee

February 2025 - Present

*American Student Dental Association: District 13*

- Serves as national representative of District 13 by actively listening to member feedback, identifying chapter needs, and advocating on their behalf
- Facilitates administrative and management duties for the great association of ASDA
- Leads the planning and execution of a regional meeting in collaboration with another district, coordinating programming, logistics, and communication to strengthen engagement
- Appointed as board liaison on the ADA Council on Government Affairs and ASDA Council on Advocacy

#### Class President

September 2023 - June 2025

*University of California School of Dentistry: Class of 2027*

- Elected by student body to spearhead initiatives that foster student engagement and enhance academic success.
- Facilitated strong and healthy communication between students and faculty.
- Collaborated with peers and administration to address student concerns and advocate on our behalf.

#### Vice President

September 2024 - June 2025

*Student National Dental Association (SNDA)*

- Provided leadership and support for programming and initiatives that promote and support diversity and inclusion in the dental profession.
- Coordinated outreach efforts in underserved areas within Los Angeles to provide access and resources to care.

#### Secretary

February 2024 - February 2025

*American Student Dental Association: District 11*

- Maintained accurate records and promoted clear and effective communication across all seven ASDA chapters.
- Supported the mission and vision of our Trustee, Michelle Chiang, through district initiatives and events including our district meeting.

**First Year Class Representative**

September 2023 - August 2024

*UCLA ASDA Chapter*

- Communicated important chapter updates, opportunities, and events to first year students to help build engagement and excitement within the class
- Represented the class at the district and national meetings, then sharing key resources and takeaways to support my classmates in academic and professional development

**First Year Class Representative**

September 2023 - August 2024

*UCLA SNDA Chapter*

- Served as liaison and provided communication to class members about upcoming events and how they can become involved in SNDA initiatives
- Promoted an inclusive community by amplifying outreach events and chapter awarded recognition at national SNDA event

**Selective Courses****Public Health Selective**

January 2024 - December 2024

*University of California School of Dentistry*

- Examined health challenges through a multidisciplinary approach. I explored topics such as health policy, gaining insights into health equity. Collaborating with community organizations, I developed skills in health promotion and advocacy, motivating me to contribute to meaningful public health efforts.

**Anatomy Selective**

April 2024 - June 2024

*University of California School of Dentistry*

- Engaged in hands-on dissections and collaborative learning, deepening my understanding of human anatomy. This experience enhanced my critical thinking and reinforced my commitment to applying anatomical knowledge in clinical practice.

**Research Experience****Research Scholar**

August 2025 - Present

*National Institute of Health, National Institute of Dental & Craniofacial Research*

- Studying and researching the impact rare bone diseases have on the craniofacial region

**South Texas Oral Health Network Intern**

August 2021 - February 2022

*UT Health Science Center School of Dentistry*

- Researched etiology, assessment, treatment, and gaps in research on bruxism
- Published manuscript on bruxism in Journal of Oral Rehabilitation and presented poster

**Community Service****Guatemala Dental Mission Trip**

March 2025

- Provided community dental care in underserved Guatemalan city of Tecpan with Agape Dental Mission through delivering preventative education, clinical procedures, and improving access to oral health services

## UCLA School of Dentistry Clubs

September 2023 - Present

- Assisted with outreach programs promoting oral health awareness such as Give Kids a Smile, Health Fairs, and Community Outreach Events within the Los Angeles community
- Provided mentorship and guidance to pre-dental students seeking entry into dental school through BDP, SNDA, and ASDA

## Work Experience

- 
- **Educator** August 2021 - August 2023  
*Lululemon: UTC La Jolla*
    - Attained great leadership training on providing exceptional experiences for people and developed a skillset for future career in dentistry
    - Contributed great energy and care for guest through product education and being attentive to their overall experience in the store
  - **Resident Assistant** August 2018 - August 2020  
*University of Texas San Antonio: Housing and Residence Life*
    - Provided guidance and mentorship academically and socially to residents
    - Developed and hosted programming that fostered community and personal growth
  - **Camp Leader** June 2017 - August 2018  
*YMCA: Peninsula Center*
    - Cultivated an exciting, warm environment for first time YMCA campers for two consecutive YMCA Summer Camps
    - Implemented conflict resolution protocols and trained for crisis management
  - **Program Instructor** October 2015 - October 2016  
*Boys and Girls Club of America: Qatar Center of the Gulf Coast*
    - Led afterschool program activities for various age groups
    - Curated activities that integrated education with interactive, engaging activities
