### **Reference Committee Vote: Unanimous**

**Summary of Reference Committee Vote:** Nothing to report as the vote was unanimous.

**Background:** The Council on Advocacy recognizes that dental school graduates have a reputation for responsible and timely student loan repayment. To encourage continued responsible repayment, dental students should have education on their repayment options.

This education is critical given scheduled changes to federal student loan repayment plans in July 2026. The government should also prioritize payment continuity as borrowers change to different repayment plans; therefore, be it

## RESOLUTION

**Resolved**, that the Current Statements of Position or Policy F-2 Financial Aid Repayment be amended as follows:

## F-2 Financial Aid Repayment **Literacy**

The American Student Dental Association advocates that all current and former dental students repay their educational loans in a responsible and timely fashion. It urges the administrative officers of dental schools to intensify their efforts to collect outstanding and overdue loans in order to meet standards that may be imposed as criteria to receive new loans. The association urges dental schools to provide **sufficient, timely, comprehensive, and accessible** financial aid
