### Mission

The Editorial Board works closely with staff to determine the strategy and themes for ASDA's magazine, *Contour*. Editorial Board members develop the content for *Contour*.

### Editorial Board Business

- The 2024-25 issues of *Contour* covered various topics from debunking dental myths to dentistry in space to dental humor and beyond.
  - Some notable articles include an interview with the Philadelphia Eagles dentist in *More Than an Ounce of Prevention*, an investigation into a non-traditional approach to dentistry in *3D Printing* and *The Politics of Dentistry*.
- Contributing Editors recruited dental students across the country to write for *Contour*. They provided assignments and support throughout the writing and editing process.
