13

14 **Reference Committee Comments:** The reference committee recommends a yes vote.

15

16 **Background:** The 2020-21 Governance Committee notes the word “tripartite” means
17 “composed of three parts.” The three parts of ADA membership—through component (local)
18 dental societies, constituent (state and district or territory) dental societies, and the American
19 Dental Association—complement each other and therefore, can be addressed in one
20 comprehensive policy. With the adoption of Resolution TBD-2021 Amendment to G-3 State
21 Dental Associations to create a new Tripartite Participation and Representation policy, the G-4
22 policy is unnecessary.
