STUDY GUIDE	TYPE OF MATERIAL	PRICE (as of June 2017)	WEBSITE	PRODUCT DESCRIPTION
First Aid Q&A for NBDE	Mobile app	44.99	iTunes store	First Aid Q&A for the NBDE Part I offers 800 NBDE Part I-style practice questions and answers that focus on what you most need to know in order to pass the exam. Each question also includes detailed explanations for each answer choice, elaborating on why each is correct or incorrect. Questions are based on the 1st edition of the First Aid Q&A for the NBDE Part I book, published in late 2008. All questions have been written by students who aced the exam and reviewed by top dental school faculty and practitioners to ensure they match the style and difficulty level of the exam.
Kaplan (Lecture Notes)	Book and online	\$80 for the Book on Amazon or \$699 (3 months) or \$999 (6 months) courses	online bookstores	The course basically just goes through the book and offers a question bank and practice tests. The book covers subjects of the boards in depth with illustrations. This is a new book released by Kaplan not to be confused with the DentEssentials Kaplan book that was their previous offering.
Kaplan (dentEssentials)	Book	\$118 on Amazon	online bookstores	This is the older "tried and true" book by Kaplan. dentEssentials organizes its material into three sections: general principles of basic science, organic systems, and dental anatomy. The book uses bold charts, pictures, diagrams, and lists to supplement dental science concepts, and acts as a complement to organ system and discipline-based curricula.
Lange Biochemistry and Genetics Flash Cards	Book	\$30	Amazon.com	This is primarily for med students but can be used for the biochem portion of NBDE. This book presents 150 cards for course review and USMLE preparation. The features of this book include: rapid-study power pack; concise and complete coverage of all major processes and principles; key disease facts (etiology, pathology/pathophysiology, clinical manifestations, and treatment) on every card; clinical vignettes on each card; a concise yet complete coverage of biochem and genetics courses; perfect for disease comparisons.
Mosbys	Book	\$40-\$60	online bookstores	the major disciplines covered in Part II of the NBDE, including Endodontics, Operative Dentistry, Oral/Maxillofacial Surgery & Pain Control, Oral Diagnosis, Orthodontics & Pediatric Dentistry, Patient Management, Periodontics, Pharmacology, and Prosthodontics. Material is presented in a concise, convenient outline format and arranged according to the specifications of the NBDE, utilizing detailed content points and supported by informative examples and illustrations. This complete exam review features an easy-to-use outline format that mirrors the topic progression of the NBDE. It is additionally loaded with informative examples and illustrations, endless practice questions reflecting the latest question types, and customizable testing modes to ensure you are fully prepared to tackle every aspect of Part II.

STUDY GUIDE	TYPE OF MATERIAL	PRICE (as of June 2017)	WEBSITE	PRODUCT DESCRIPTION
NBDE Part I Review Course	Online	\$495	www.cewebinar.com	subject areas covered by the NBDE I examination including Anatomic Sciences; Biochemistry-Physiology; Microbiology-Pathology and Dental Anatomy/Occlusion. This course has been re-developed to break down the subject areas into a series of on-demand concept/topic driven mini-lectures. This will allow each student to personalize their studying to accommodate their own weak areas. Live sessions included and are fully interactive, but are only conducted once a year during the Fall. The LIVE component has been digitally captured from the most recent year's recording and is included in this course for review. All handouts are in a digital format and can be downloaded to your computer. Registration gives you access to the archived live session and on-demand mini-lectures for a period of 90 days.
NBDE Part I Secrets	E-book or book	\$39.99	www.ASDAnet.org/store/nbde.aspx	NBDE Secrets is our exclusive collection of the tips and the information that we have specially selected to give you the best results on the NBDE for the least time spent studying. It's written in everyday language and is easy to use. It covers the 5 essential skills necessary to do well on the NBDE, plus comprehensive reviews covering all of the essential test sections individually.
NBDE Released Exams Part I	Booklet	\$24 (single section) - \$297 (all sections)	www.ASDAnet.org/store/nbde.aspx	Actual released exam questions from past exams
NBDE Released Exams Part II	Booklet	\$42-79 (single section) - \$208 (all sections)	www.ASDAnet.org/store/nbde.aspx	Actual released exam questions from past exams
Netters	Mobile app	\$89 (itunes) \$42 (google)	iTunes store or Google Play	Dr. Frank H. Netter's full-color anatomic illustrations allow users to test themselves on key anatomic structures and relationships. Skyscape has customized this resource, the full content of which can be purchased for \$76.95. Individual sections can be purchased for only \$14.95 with Cross-Sectional Anatomy section for free.
