ASDA FEVER WEEK

AUG 10–14, 2026

UAGM ASDA Fever Week was a five-day initiative highlighting the benefits of ASDA membership through advocacy, wellness, commun ity service, professional development, and networking while fostering student engagement and chapter unity.

MONDAY– CATCH THE FEVER

INTRODUCTION & T-SHIRT HANDOUT

We kicked off Fever Week by welcoming students to ASDA, introducing our chapter and highlighting opportunities for involvement, leadership, advocacy, professional development and connection within organized dentistry.

TUESDAY– STAMP YOUR IMPACT

ADVOCACY PASSPORT CHALLENGE

Students explored dental advocacy through an interactive passport-style challenge, learning how ASDA gives dental students a voice and encourages involvement in issues affecting their profession and patients.

WEDNESDAY– PROFESSIONAL WELLNESS & SIP & PAINT

PROFESSIONAL WELLNESS / SIP & PAINT

Students participated in activities focused on creativity, mental well-being, and professional wellness. These experiences encouraged stress management, self-care, and meaningful connections while promoting a healthy balance throughout their dental school journey.

THURSDAY– BRUSH IT FOWARD

COMMUNITY SERVICE & ORAL HEALTH

Students came together around service and oral-health promotion, demonstrating ASDA's commitment to giving back and empowering healthier smiles in the community.

FRIDAY– TRIVIA TAKEDOWN

FOK BREWERY

Fever Week concluded with an interactive dental trivia night that brought students together for friendly competition, networking and chapter engagement in a fun social environment.

By combining advocacy, wellness, service, education and social connection, UAGM ASDA Fever Week demonstrated that ASDA membership extends far beyond the classroom. Students were given multiple ways to discover the organization, connect with _ peers and find opportunities that matched their own interests within dentistry.
