

Fever Week 2023

What is ASDA? Lunch and Learn

We introduced the D1s to ASDA and highlighted the benefits of organized dentistry to all members.

From July 30 to August 5, Fever Week welcomed our D1 students to LSU and introduced them to organized dentistry. With a diverse lineup of 12 total events, programming was designed to appeal to every LSU ASDA member. Over 70% of the chapter attended at least one event, marking a significant increase in previous years. WE GOT THE ASDA FEVER!!!!

D1 Survival Guide Lunch and Learn

Hosted by our D2 Executive Board members, this crash course elaborated on first-year classes, study tips, and student orgs.

Oral Pathology Lunch and Learn

LSU oral and maxillofacial pathologist Dr. Kitrina Cordell shared her story through dentistry and offered helpful tips and insight.

"Donut" Forget to Vote

75+ students checked their registration status or registered to vote. Participants received a donut.

Group Yoga Class

A local instructor taught an all level flow class open to all ASDA members. 18 students attended this wellness study break!

Crest Oral-B Lunch and Learn

Our regional sales rep outlined their oral hygiene technology and delivered power brushes to every D1 student.

D1 Ice Cream Social

1st-year students met ASDA leaders and classmates over ice cream provided by a local parlor.

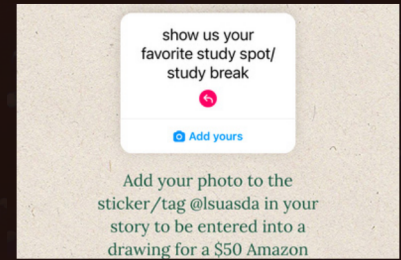

All-Class Social

100+ members celebrated organized dentistry and the new school year.

Advocacy Lunch and Learn

LSU operative professor Dr. Burns shared his experience with organized dentistry and inspired students to get involved.

Instagram Challenge

Our Communications Committee shared members' favorite study spots.

Carpool Challenge

Our Sustainability Committee encouraged members to find a ride to school.

1st Annual "Filled" Day

Students from all classes split into four teams to compete in field day style games, including an egg toss, relay race, and scavenger hunt. All participants were awarded ASDA merch and oral hygiene kits.
