

ASDA "MEET THE REPS BINGO"

ASDA's Meet the Reps Bingo was a fun and interactive event that introduced students to ASDA and its local chapter representatives through a creative bingo game format. Each square prompted conversations about ASDA's mission, member benefits, and rep roles, making the experience both informative and engaging. The event was well-organized and successful in sparking interest, fostering connections, and highlighting the value of ASDA membership.

DEI SALSA & BACHATA NIGHT

ASDA's DEI Salsa & Bachata Class was a vibrant and inclusive event that brought students together to learn Latin dance styles while celebrating cultural diversity. The session was structured to be beginner-friendly and accessible, fostering a welcoming environment for all backgrounds. Through dance instruction grounded in respect for cultural roots, the event showcased ASDA's dedication to equity, community, and meaningful engagement. The success of the event reinforced how ASDA membership supports inclusive programming and cross-cultural connection among students.

HEADSHOT PHOTO SESSION

ASDA's Headshot Photo Session was a professional development event designed to help students prepare for LinkedIn and application season. Organized to provide high-quality headshots in a convenient, on-campus setting, the event emphasized the importance of a polished online presence. It successfully introduced students to ASDA's commitment to career readiness and highlighted the value of membership through supportive, career-focused resources.

THE ULTIMATE DENTAL GAME NIGHT

ASDA's Third Annual Smile Showdown was a lively, dental-themed game night designed to engage and inspire pre-dental students through fun, interactive challenges and trivia. The event offered a unique opportunity for pre-dentals to connect with current dental students, gain insight into the dental school experience, and learn about the support ASDA offers. With strong turnout and enthusiastic participation, the event successfully promoted mentorship, education, and the value of ASDA membership in guiding future dental professionals.

PRE-DENTAL MENTORSHIP "NAME THAT SMILE"

ASDA's Pre-Dental Mentorship Kahoot: Name That Smile was a fun, interactive game where participants guessed celebrity smiles while learning about the importance of mentoring pre-dental students. The lighthearted format encouraged participation and sparked meaningful conversations about how dental students can support aspiring dentists. The event was a creative and successful way to highlight ASDA's commitment to mentorship, leadership, and fostering the next generation of dental professionals.

SUSTAINABILITY: PLANT PARENTHOOD

ASDA's Sustainability: Plant Parenthood was an eco-friendly event focused on promoting environmental awareness and self-care through plant care. Students learned sustainable practices while potting their own plants, creating a relaxing and educational experience. The event highlighted ASDA's commitment to wellness and sustainability, demonstrating how membership supports both personal growth and broader community responsibility.

WELLNESS DE-STRESS BALL EVENT

ASDA's Wellness De-Stress Ball Event offered students a relaxing break from their academic demands through a hands-on, stress-relief activity. Attendees created their own stress balls while learning about the importance of mental wellness and self-care in dental school. The event was well-organized, engaging, and a great reminder of ASDA's commitment to supporting student wellness as a core part of membership benefits.

WELCOME TO ADVOCACY

ASDA's Welcome to Advocacy event was an informative and engaging introduction to the importance of dental student advocacy. Students learned how to effectively voice their concerns, influence policy, and get involved at local and national levels. The event was well-organized and inspiring, showcasing ASDA's vital role in empowering members to become leaders and advocates for the dental profession.

NEWSLETTER JOURNALS & JAVA

ASDA's Journals and Java was a cozy, wellness-focused event that emphasized the benefits of journaling for mental clarity and stress management. Students enjoyed coffee and snacks while exploring how reflective writing can support their personal and academic growth. The event successfully combined relaxation with intentional wellness, showcasing ASDA's dedication to holistic student support and the value of being part of a mindful, connected community.

HYGEINE BAG ASSEMBLY

ASDA's Giving Back Smiles event was a thoughtfully organized community service initiative where students assembled hygiene bags to donate to the Boys & Girls Club. The event combined creativity and teamwork, allowing participants to contribute directly to children's health and well-being while fostering a sense of community impact. It effectively introduced attendees to ASDA's commitment to service and outreach.
