

## MEMBER ENGAGEMENT

**"Brush Week"** - This is our week-long initiative of various activities to introduce our e-board members and committees to the new incoming students every September. The entire D1 class was present.

**Pre-Clinic Tips & Tricks** - An information session was held by upperclassmen to teach the D1 & D2 students various tips and tricks to help them succeed in pre-clinical lab. A total of 75 students attended.

**Socials Events** - Throughout the year, we have held several game nights, general body/committee meetings, socials, and even a chess tournament to keep our members active and connected with one another.

## HEALTH & WELLNESS

**Succulent Potting Workshop** - These DIY at-home kits were a huge success in giving 40 students time to decompress and focus on mental health during midterms.

**Dodgeball Tournament** - This stress-relieving physical activity brought 24 students together in a fun, competitive way.

## COMMUNITY SERVICE

**Clothing & Food Drive** - We held a school-wide "competition" to gather donations to support Philabundance and ProjectHome, relief organizations local to the Philadelphia area. We collected 243 articles of clothing and 142 cans of food.

**Cradles to Crayons** - Our chapter participated in the virtual scavenger hunt as a way to raise awareness and donations to provide for local disadvantaged children. Over 35 people participated, and \$300 was raised.

## CHAPTER MEDIA

**Website** - The website is always continuously growing and updating with our current news and information.

**Instagram** - Our page has over 1000+ and is our main way of connecting with our members. We regularly feature aesthetic and informational posts regarding our upcoming meetings, events, fundraisers, and more.

**Membership Mondays** - The social media team has launched this initiative to feature a new member on our instagram every week to help our chapter stay connected virtually during the pandemic.

## ADVOCACY

**Phil-Advocacy City Tour** - During "Brush Week", our advocacy committee took new students around the city to help them acclimate to public transportation and life in Philadelphia. Twelve students participated.

**Vote Registration Sessions** - Every year during the weeks leading up to elections, we hold these sessions as a way to enlist new voters and increase participation in the primary elections. We gained 18 new voters.

**Mid-Atlantic Advocacy Academy** - We had 3 members virtually attend to connect with other ASDA chapters and learn about more ways to be engaged.

## LEADERSHIP & PROFESSIONAL DEVELOPMENT

**ASDA Conferences** - We had 13 members attend the District 3 Retreat and 9 attended the National Leadership Conference.

**LinkedIn Workshop** - Temple University business office provided us with a workshop to help develop our digital resumes; there were 17 students present.

**Networking Events** - We worked with several organizations to provide students with potential job opportunities and resources after graduation - Dental Dreams (7 attendees), Smile Brands (35 attendees), Temple Alumni (20 attendees), Aspen Dental (45 attendees), Heartland Dental (47 attendees), Virtus Financial Planning (12 attendees).
